## **Article 1. Introduction**

MSAD 55 requests that your company make a proposal for your services, snowplowing and sanding, at Sacopee Valley High School. The following proposal request will outline the project goals and detail the format for your proposal. Please read the timeline carefully. In order for your proposal to be considered, your proposal must meet our deadlines stated in Section 2.04.

### **Section 1.01 Location**

This proposal is for snowplowing and sanding at Sacopee Valley High School located at 115 South Hiram Road in Hiram, Maine.

### **Section 1.02 Management**

Mark Howland, Facilities Director, will be managing this project. Mark Howland will be responsible for supervising the execution of the contract.

### **Section 1.03 Contact Information**

## **Article 2. Project**

### **Section 2.01 Mission**

The contractor will furnish all necessary equipment, materials, and labor and perform all work per these project specifications.

### **Section 2.02 Project Specification**

This project will be active from October 1, 2017 – May 1, 2018; October 1, 2018 – May 1, 2019; and October 1, 2019 – May 1, 2020.

1. The Contractor shall furnish all necessary equipment, materials (including sand and salt) and labor and perform all work per these specifications.

2. All driveways, parking lots, walkways, decks, and stairs are to be cleared of snow and/or ice. This includes any walkway, deck, or stairway leading to the building and/or modular units and leading up to all entrances of the building. The contractor is responsible for removing all ice and snow up to all entrances to the building and modular units.
3. The Contractor shall use appropriate methods and practices of plowing and material application, and must begin no later than when snow accumulation has reached a depth of 2" or ice/sleet accumulation has reached a depth of ½".
4. Work shall be completed prior to 7:00 am on Monday – Friday and on Saturday and Sunday by 9:00 am. This is regardless of whether or not school is in session.
5. To the extent practicable, snow shall be plowed away from the building to the outside of the drive and parking area. Any cost of pushing back snow banks to make room for more snow shall be at the Contractor's expense. Bucket loading or other removal of excess snow banks shall be at the Contractor's expense, as deemed necessary by the District.
6. Paved areas will be sanded and/or salted whenever the pavement conditions may be hazardous for driving and walking. Sanding and/or salting may be required at times other than when the snow is plowed and, in addition to the Contractor's judgment must be done upon request by the District. It is important that sanding, when required, be completed in a timely manner.
7. The Contractor shall provide a telephone number where she/he may be reached at all times. Inability to contact the Contractor within a reasonable amount of time, as determined by the District, may result in a breach of the contract and any expenses resulting there from will be deducted from the contractual fee.
8. No steel or other treads, which may mutilate the paved areas, are to be used.
9. Payment to the Contractor shall be made in ten equal biweekly installments commencing with the District's first pay warrant in December.

#### 10. Equipment Requirements

The Contractor must furnish a sufficient number of plow trucks, and equipment for snow removal to meet the contract specifications. In accordance with law, all such trucks shall only be operated by persons having a valid operator's license. All trucks, plows, loaders, and spreader systems shall be identified in the "Equipment Listing" document, and all equipment is subject to the District's approval, both prior to the initial award of the contract and at anytime prior to or during any Winter Season. Failure to provide equipment that the District deems sufficient to reliably and safely meet the terms of this contract shall be grounds for contract termination.

#### 11. Property Damage

The Contractor shall be responsible for all damage to public or private property of any kind resulting from any act, omission, neglect, or misconduct of the Contractor including but not limited to lawns, fencing, signs, and curbing. The preceding sentence includes damage to vehicles. The Contractor agrees to reimburse the District for the replacement of property damaged by the Contractor if resulting from the Contractor's negligence as determined by the District. The District may repair or replace the damaged property with its own forces or with contracted forces, and all costs will be deducted from amounts otherwise due the Contractor.

#### 12. Termination

Notwithstanding any other provision of this Contract, the Contractor shall be in default and the District, may terminate this Contract, if the Contractor:

- fails to begin the work as required by the Contract;
- fails to perform the work with sufficient workers and equipment or materials to meet the terms of the Contract;
- subcontracts any of the work without the approval of the District;
- fails to perform the Work in a satisfactory manner as determined solely by the District.

### **Section 2.03 Contractor Requirements**

Should your proposal be accepted, we expect you to contribute the following to the project:

The Contractor agrees to complete all Work as specified in Section 2.02. The Contractor shall be responsible for providing all supervision, labor, equipment, tool supplies, permanent and temporary materials required to perform the Work including all required documentation at the conclusion of the project, and performing all other work indicated in the Contract.

The Contractor is required to obtain Criminal History Record Check (CHRC) Approval through the Maine Department of Education. A copy of this document must be supplied to

the Superintendent before the contract will be awarded. The Contractor will also be responsible for providing written verification that all other employees on this project have been background checked.

The Contractor shall have in force, throughout the life of the contract the following insurance:

Workers' Compensation: Contractor shall carry Workers' Compensation Insurance or shall qualify as a self-insurer with the State of Maine Workers' Compensation Board in accordance with the requirements of the laws of the State of Maine.

Commercial General Liability: Contractor shall carry commercial general liability insurance in an amount not less than \$1,000,000 per occurrence and \$2,000,000 in aggregate.

Automobile Liability: Contractor shall carry automobile liability insurance covering the operation of all motor vehicles including any that are rented, leased, borrowed, or otherwise used in connection with the Project. The minimum limit of liability under this section shall be \$300,000.00 per occurrence.
