

SCHOLARSHIPS

With the permission of the Superintendent, in consultation with the Finance Committee, new scholarships may be approved and introduced at senior assembly or at graduation.

All offers of such scholarship opportunities shall be submitted to the Superintendent with pertinent information concerning the purpose of the scholarship, the criteria for its award, and the expected level of involvement of school officials and employees in collecting applications for, administering and identifying recipients of such scholarships.

Scholarships administered by the school must maintain a minimum fund balance of \$100, or the funds will be refunded to the donor. If there is no point of contact, the funds will be disbursed to the Sacopee Scholarship Fund.

Any scholarship that is recognized at graduation must award a minimum of \$100.
