

BOARD MEMBER CODE OF ETHICS

Having accepted the challenge of service on the MSAD 55 Board, I accept the principles set forth in the following code of ethics to guide me in helping to provide free public education to all the children of MSAD 55

- A. I will view service on the Board as an opportunity to serve my community, state, and nation because I believe public education is the best means to promote the welfare of our people and to preserve our democratic way of life.
- B. I will at all times think of children first and base my decisions on how those decisions will affect their education, and their training.
- C. I will make no disparaging remarks, in or out of Board meetings, about other members of the Board or their opinions.
- D. I will remember at all times that as an individual I have no legal authority outside the meetings of the Board, and that I will conduct my relationship with the school staff, the local citizenry, and all media communications on the basis of this fact.
- E. I will recognize that my responsibility is not to operate the schools but to see that they are well operated.
- F. I will seek to provide education for all children in the community commensurate with their needs and abilities.
- G. I will listen to all citizens but will refer all complaints to the proper authorities, and will discuss such complaints only at a regular meeting after failure of an administrative solution.
- H. I will support a decision made by the majority of the Board graciously.
- I. I will not criticize district employees publicly, but will make such criticism to the Superintendent for investigation and action, if necessary.
- J. I will make decisions openly after all facts bearing on a question have been presented and discussed.
- K. I will refuse to make promises as to how I will vote on a matter that should properly come before the Board as a whole.
- L. I will not discuss the confidential business of the Board in my home, on the street, or in my office, the place for such discussion being the Board meeting.
- M. I will not discuss any item put forward in Executive Session with anyone not attending the Executive Session.
- N. I will confine my Board action to policy making, planning, and appraisal, leaving the administration of the schools to the Superintendent.

- O. I will welcome and encourage cooperation and participation by teachers, administrators, and other personnel in developing policies that affect their welfare and that of the children they serve.
- P. I will endeavor at all times to see that schools have adequate financial support within the capabilities of the community and state, in order that every child may receive the best possible education.
- Q. I will not use my position as a Board member to benefit myself or any individual or agency apart from the total interest of MSAD 55.
- R. I will endeavor to attend every regular and special Board meeting and also appointed committee meetings, recognizing that my presence means representation for the District. If I find that this is not possible for an extended length of time, I will give consideration to resigning from my position on the Board.
- S. I will recognize at all times that the Board of which I am a member is an agent of the State, and as such, I will abide by the laws of the State and the regulations formulated by the Maine Department of Education and by the State Board of Education.
- T. I will remain professional and respectful while referring to or interacting with community members.
