

**COMPREHENSIVE EMERGENCY MANAGEMENT PLAN**  
**(FORMERLY: CRISIS RESPONSE PLAN)**

The Board hereby adopts the MSAD 55 Comprehensive Emergency Management Plan. The Superintendent and building administrators shall be responsible for developing, in consultation with staff and persons or agencies with expertise in planning for and responding to emergencies, a comprehensive emergency management plan that identifies and addresses all hazards and potential hazards that could reasonably be expected to affect MSAD 55 and school facilities.

The Superintendent and building administrators shall be responsible for ensuring that the plan is implemented in each school, evaluated on an annual basis, and after each incident when the plan is used. It is understood that specific procedures may vary from school to school due to differences in school facilities and the ages of students.

As required by law, the Board will approve the plan annually. The plan shall normally be presented by the Administration at the July Board meeting. Any substantive changes in the plan shall be subject to the approval of the Board.
