

**SCHOOL NUTRITION PROGRAM COLLECTION OF MONEY**

The MSAD 55 School Nutrition Program shall offer varied and nutritious food choices that help students establish and maintain lifelong, healthy eating patterns. These choices shall be consistent with the federal government's Dietary Guidelines for Americans. The School Nutrition Program shall aim to be financially self-supporting. In order to financially support the program it is important for parents to cooperate by paying for school meals in advance or on the day requested. The school will assist families in completing the Free and Reduced Meals Application.
